The Choice ICON Schools Early Years caters for children between the ages of 18months to 4 years

We have four classes:

1. Early Years
2. Nursery class 1
3. Nursery class 2
4. Nursery class 3

Curriculum

We use a unique blend of the Early Years Foundation Stage (EYFS) and the Montessori method of teaching to provide opportunities for children to learn in ways that interest them whilst improving thier emotional, social and physical growth and development.

The EYFS is based on the recognition that children learn best through play and active learning.

The Montessori method aims to develop independence, self-esteem, self-reliance and a life long love for learning.
